*Meg & Brian*

## *Hello, and welcome!*

We have known each other since childhood, and family has always been at the heart of our story. Becoming Declan's parents has brought more love and joy than we imagined.

Declan has inspired us to grow our family even more. We dream of giving him brothers and sisters to play with, laugh with, and make lifelong memories alongside.

We look forward to welcoming another child with their own unique story and a special place in our hearts.

We are looking forward to welcoming another child — with their own story, personality, dreams, and a special place in our hearts.

# *The Everyday Adventures*

*Home together*

*Out making memories*

## *Ordinary days, extraordinary love*

What do we treasure most? FAMILY! We are incredibly fortunate to be surrounded by loving family and friends who have supported us throughout our adoption journey and cannot wait to welcome another little one into our lives. Whether we're traveling, exploring new places, cheering at sporting events, enjoying family game nights, or simply spending a cozy evening at home, we love making memories together. We can't wait to share even more adventures, laughter, and everyday moments as a family of four!

## *What We Do*

We are both lucky enough to work from home. Meg operates an art and consulting business while Brian has an in-home office as a Senior Vice President of Marketing and Business Lead.

# *Home & Neighborhood*

*Our home in Columbus, Ohio*

## *A close-knit community with a little bit of magic*

We love our quaint neighborhood in Columbus, Ohio, where young families, wonderful neighbors, and a strong sense of community make it such a special place to call home. We're just a short distance from local markets, downtown Columbus, the zoo, and countless opportunities for family adventures. From charming holiday gatherings to exciting neighborhood celebrations, there's always something to look forward to and someone to share it with. It's the kind of place where neighbors become friends and memories are made around every corner.

### *One of our favorite little adventures?*

We have a miniature go-kart Jeep that we drive around the neighborhood! It brings a little silliness and a lot of smiles to our everyday adventures.

*The most important part of our home is the love inside it.*

## *To the person considering our family*

Thank you for choosing to spend time getting to know our family. We recognize the strength and thoughtfulness involved in exploring adoption, and we have tremendous respect for you and the decisions ahead. We are truly honored to be considered.

We promise a stable, loving home where each child is cherished, encouraged to explore their unique heritage and talents, and supported in knowing their story. Whatever you decide, we wish you peace and are grateful you considered us.

*With warmth and respect, Meg & Brian*
