

hello

We understand and appreciate that you are considering all options to give your child the best life possible. We know this is a time of difficulty with tough choices to make. Two years ago, we were on a difficult path with tough choices after being told we could not have biological children. Although our paths are not the same we cannot imagine how you feel, we believe both paths involve raw emotion, heartache, tears, grief and hard decisions.

We have prayed about our situation for two years and believe our paths are suppose to intertwine with another. We believe God makes all things beautiful and good when he is involved. He gives us hope when we feel hopeless and light in this sometimes dark and scary world.

We thank you from the bottom of our hearts for taking your time to learn about our life and family. We pray in your time of uncertainty you will find peace in knowing whatever you choose, it will be the best choice for you and your child.

love,
Kayla + Adam

Our Story

We met in 2010. Our first date was a matinee of Twilight "Eclipse." Adam proposed two and a half years later in the same cinema parking lot after a late night movie. It was below zero temperature and he knelt in the ice covered parking lot. The imperfections made it perfect. We married in October 2015 on a local farm. A big family wedding with lots of food, dancing and celebration. Our marriage is like breathing. It feels natural and essential. We are best friends and soul mates. We compliment on another and support each other through all life challenges.

Meet Kayla

We love our Buckeyes! Kayla was born and raised in Ohio. She has a Master's Degree in nursing and works at a community hospital as a nurse practitioner. Kayla is a smart, funny and loving person. Kayla will be a caring, nurturing and enthusiastic mother. She will be the mother in the audience with the photograph button on her sweater. Kayla enjoys bargain shopping, reading historical non-fiction and going to the Movie Theater. Her favorite food is cinnamon ice cream and her favorite place to vacation is Anna Maria Island.

Meet Adam

Country roads.... take me home... Adam was born and raised in West Virginia. He has a Bachelors degree in Marketing and works for a medical equipment company. Adam is a selfless, kind and hardworking man. He will be an attentive, loving and supportive father. Adam will be our child's #1 fan. Adam enjoys football, basketball and hiking. His favorite food is Lasagna and his favorite vacationing spot is Outerbanks.

Meet Our Pups

Cinderella is our spunky miniature goldendoodle. She was born May 17, 2020. She is smart, playful and loving. She attends service training classes twice weekly. She enjoys car rides and visiting Mamie and Papie's house. (Kayla's mom and dad)

our home

We live in a cozy, open floor plan, craftsman's style home. Our home is in a small rural community. We live close to excellent school systems with small class sizes. Our community is close to state parks and a national forest for walking, bike riding and hiking.

our traditions

Kayla's mother is from a family of five sisters and one brother. Thanksgiving and Christmas Eve are celebrated at Grandma Pat's farm with a big family dinner. We watch The Macy's Thanksgiving Day Parade while Kayla prepares Sweet Potato Casserole, Macaroni and Cheese and Scalloped Potatoes. More than 60 family members gather for dinner and shop till we drop on Black Friday. Christmas Eve Santa always makes a special stop at Grandma Pat's home before he delivers his presents around the world. We have cookie day with our nieces and nephews every year the week of Christmas.

During the holidays we take weekend trips to see Christmas lights. Christmas morning, we have a large breakfast at Mamie and Papie's before opening presents. On Trick-or-Treat we visit Mamie and Papie's for dinner dressed in costumes and enjoy treating. Our family celebrates every birthday with parties and presents. We always have cake, ice cream and birthday wishes (hopefully coming true)! Annually we take one summer vacation with Kayla's family to the beach. We usually visit the Outerbanks, NC or Panama City Beach, FL. At Outerbanks we enjoy watching the wild horses and visiting the lighthouses. In Panama City we enjoy hunting for sand dollars, buying souvenirs at the beach stores and visiting ALL the ice cream shops.

our family time

Adam is an only child. His parents live in Myrtle Beach. We visit frequently during the summer and fall season for long weekends. We enjoy swimming at the pool and afternoons at the beach. We enjoy meeting his parents in Gatlinburg to visit during winter and spring. Our favorite hotel is The Inn at the Christmas Place. They have cookies with Santa and Christmas events for children all year. Kayla is the youngest of three siblings. We have five nieces and nephews. (Dillon, Molley, Josie, Chloe and Brady) They are excited for an addition to their crew! Kayla has two living grandmothers (Mamaw Pat and Grandma Elsie) and her Mom and Dad known as "Mamie and Papie" to the kids. Our weekends home are mostly spent with Kayla's family and attending Church Service. We gather for Sunday dinner often at Mamie and Papie's home.

In fall we visit local pumpkin patches and watch college football (Go Buckeyes!) We frequently take small weekend trips to Kings Island, Great Wolf Lodge and the Zoo. Occasionally we will attend country and contemporary Christian concerts. Last year I surprised Adam with Brett Eldridge tickets for his birthday. In March, before the COVID shutdown we attended a Casting Crowns and Matthew West show. We love music.

Our Promise

We will raise your child in a loving Christian home with biblical morals and values. We will teach kindness, humility, goodness, loyalty and respectfulness.

We promise your child will know how much you love them. We will share pictures and letters all throughout the child's life. We plan to start talking about adoption during infancy. We have started a book collection for adopted children. Adoption will be an open conversation in our home. We will make sure the child knows how much you love them and your decision for adoption was made out of the love you have for them.

We promise to celebrate every birthday, holiday, and special occasion; big or small. We will celebrate with parties, cupcakes and weekend trips.

We promise to be the biggest fan at the soccer game, dance recital, spelling bee or baseball game. We will be the parents with the video camera waving from the crowd.

Above all we promise to love and support your child in good and hard times, through tears and smiles for the rest of their lives.

Kayla Harris & Adam Harris
