

# Hello!

---

We are Steve & Nancy –  
It's so great to meet you! We're so thankful  
and humbled that you've taken the time to  
learn a little more about us!

# Our Story

Trip to Pittsburgh for Nancy's birthday

We met in the fall of 2016 and were married almost exactly 1 year later. What an exciting 4 years it's been!

We knew from the beginning that we wanted to have a large family, and we know that God has called us to pursue adoption! We feel that inviting someone into our home to share our love and lives with through adoption is a beautiful picture of what God has done for us, inviting us into His Eternal Family and loving us unconditionally!

We commit to living out this mission every day, and if you choose us to be a part of your child's story we will love and cherish them as God does, as an original masterpiece!

---

*We love spending time outdoors, from kayaking and camping, to gardening and picnicking!*

Weekend camping trip

Trail riding in California

# Our Life

## Nancy by Steve

Nancy is the most amazing woman you'll ever know. She is full of love and compassion for everyone she meets, constantly having people over and baking delicious desserts for them, she truly enjoys serving people. She works for a non-profit organization that offers free pregnancy tests and ultrasounds to women facing unplanned pregnancies and is excited to personally be a part of someone's adoption story.

In her free time, Nancy puts "The Office" on the TV and bakes, decorates the house, or does other crafty things.

## Steve by Nancy

Steve is an incredibly hardworking, selfless individual. He is always willing to stop what he's doing and jump in and help anyone with a project. He is someone you can depend on to be there, and he makes me laugh every day. He is the type of guy that can get along with anyone.

He is also extremely skilled in carpentry and home construction, which comes in handy for his job building decks.

I know that he is going to be an amazing dad - one that would sacrifice everything for the well being and happiness of his family.

Some of our nieces using Steve as a cushion at a family get together :)

# Our Families

We live in a quiet suburb in Ohio, only five minutes from Steve's parents and grandparents, and less than half an hour from Nancy's mom & dad. We spend as much time as possible with our families, knowing that all the Sunday Lunches and Holidays spent playing board games and sharing stories together will be some of life's most precious moments. Nancy was never able to know her grandparents, so she's very excited about her mom & dad being so close with all their grandchildren.

This is Steve's family— he is the second of five, uncle to one nephew, and one brand new niece!

Nancy's family is much larger! Being the youngest of seven, there are already 27 nieces and nephews, with another on the way!

**Thank you** for taking the time to meet our family! We have so much love to share and we are excited to have the opportunity to share it with you and your child. Whether or not we ever meet in person, we pray for God's blessings and peace on you and your journey!
